30 Days Fragrance Screen

For Fabulously Scented Washrooms

*Patent pending

Flexible & discreet design

Innovative flexible design fits any urinal, while the transparent screen discretely protects the drain by trapping debris.

High-impact fragrances

with **neutra-lox** malodour
eliminator

The Fab 30 screens are impregnated with high-quality fragrances for a fresh smelling washroom. Neutra-lox malodour eliminator, a proprietary odour neutralising agent eliminates bad odours, instead of masking them. The unique formulation of Fab 30 leaves only fresh scent in the air that lasts upto 30 days.
